Section 3: Confidentiality and Data Security
Both parties agree to protect proprietary information for a period of five (5) years following termination. All client data stored in the cloud must be encrypted using AES-256 at rest and TLS 1.3 in transit. Security audits will be conducted quarterly by an independent certified third party.

Section 4: Service Level Agreement (SLA)
The Service Provider guarantees an operational system uptime of 99.95% during business hours. Critical issues (Severity 1) must be acknowledged within 15 minutes and resolved within 4 hours. Non-critical issues (Severity 3) will be resolved within 48 business hours. Failure to maintain uptime will result in a 5% credit on the monthly service fee.
